Fieldwood Energy LLC Names Kevin Bruce Director of Government & Industry Affairs

Houston, TX (June 7, 2016) – Fieldwood Energy LLC (“Fieldwood” or “Company”) today announced that Kevin Bruce has joined the Company in the newly created position of Director of Government and Industry Affairs.

Kevin will lead efforts to advance Fieldwood’s interests among policy makers and across the industry at both the federal and state levels. “As we continue to grow our company, the need for a dedicated government affairs professional has become essential, and I am very happy that Kevin will be assuming this important responsibility,” said Fieldwood’s President and CEO Matt McCarroll.

“Kevin brings a trusted, experienced hand to Fieldwood, and he will add a new dimension to our company’s ongoing engagement with regulators and elected officials in Washington and beyond,” McCarroll added. “His experience working national energy and environmental policy issues will add real value to the Fieldwood team.”

Kevin has more than fifteen years of legal, government, and regulatory experience and joins Fieldwood from America’s Natural Gas Alliance (“ANGA”), where he led efforts to grow markets for natural gas across an eleven-state region. Prior to his time at ANGA, Kevin was a Senior Government & Regulatory Affairs Advisor at Encana Corporation. He was also an attorney at Galloway, Johnson, Tompkins, Burr & Smith in New Orleans after serving as a legislative aide on Capitol Hill in Washington, DC. Kevin earned his J.D. from Louisiana State University’s Paul M. Hebert Law Center and a B.A. from Southern Methodist University.

About Fieldwood Energy LLC

Fieldwood is a Houston-based portfolio company of Riverstone Holdings LLC. Fieldwood is focused on the acquisition and development of oil and gas assets in the Gulf of Mexico and Gulf Coast. Fieldwood is led by CEO Matt McCarroll and other former senior executives of Dynamic Offshore Resources and Apache Corporation. This venture represents the second partnership between Riverstone and the Fieldwood management team, who previously partnered successfully to build Dynamic Offshore Resources into one of the largest operators on the Gulf of Mexico Shelf.
